CUSTOMISABLE EXTRACTOR SOLUTIONS

We offer a wide variety of extractor units to suit every kitchen style - from modern minimalist designs to bold statement spaces. Whether you're looking for wall-mounted, curved glass, or built-in options, our range ensures the perfect balance of performance and design. For customers wanting a more personalised finish, we also offer custom options

BLACK FLUE

A **matt black flue/chimney** can be ordered for selected units to compliment your selected unit for a sleek, contemporary look.
FAL-60-30BG, FAL-60-S03D, FAL-60-S03D3, FAL-60-S03E, FAL-90-30BG, FAL-90-S03D, FAL-90-S03D3 & FAL-90-S03E

CUSTOMISABLE FRONT PANEL

FAL-60-T62ST, FAL-90-T62ST, FAL-60-T62ST-B & FAL-90-T62ST-B
The front panel can be replaced to match your kitchen design. Simply consult your cabinetry specialist to customise a finish that integrates seamlessly into your kitchen design.

BUILT-IN EXTRACTORS - SEAMLESS STYLE, POWERFUL PERFORMANCE.

A built-in extractor is designed to fit neatly into your kitchen cabinetry, offering a clean and streamlined look without compromising on performance. Discreetly installed within an overhead cupboard or housing unit, it effectively removes steam, smoke, and cooking odours while remaining almost invisible in your kitchen design.

ACCESSORIES, CONSUMABLES & SPARE PARTS

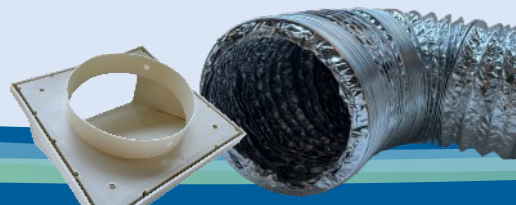

.

We offer a carefully selected range of accessories to assist with the smooth and professional installation of your extractor.

From ducting components to fittings and finishing pieces, our accessories ensure optimal performance and a clean installation.

Consumables and spare parts are also readily available to help maintain your unit and keep it operating at its best.
